Piston slap from Thornleigh Car Club, Memorandum from CAMS for emergencies. 2007 CAMS anti-doping policy forms, 2007 Shannons motor show flyer, Letter to SKDAC from the Shepherds Centre for the clubs help in the wacky wanderers.

Correspondance out: Emails sent out to numerous parties regarding the junior driver development, with plenty of positive feedback on the emails.

Treasurers Report: See attached moved by John Lockeridge & Dave Roberts

Property Officer (South Nowra Gear): All the gear is at Carls reday to use for the next event.

Property Officer (Rally Gear): Trailer is complete and and Andrew Kohlers house, still waiting on a few jackets to be returned that were loaned out for the Narooma Booma Rally.

CAMS Delegate: Rally panel meeting had mention of SKDAC running the Bay stages rally this year, also CAMS would possibly like to see a presentation from the club on what the club is doing at the moment in regards to running the Bay stages rally, Junior Development & running/setting up the New grounds at the Archer Racecourse.

Publicity Officer: More frequent articles are going into the South Coast Register on a Friday, any articles about the club welcome, please email carl or michelle stewart by Tuesday at the lastest with any stories/articles they would like to put in the paper for that Friday (when the motorsport is covered)

Past Events:

Narooma, 10 SKDAC cars entered, pete/kohler's 1st run in the new VR4 went well, no real dramas and finished 12th, stuy/matty running well till damaged the g'box, kept using it as best at they could

still going great till last stage got stuck in a creek crossing ended up 15th. Claude/lizzy went really well, posting fastest outright time on ss7 (?) and came home a very strong 4th outright and first 2WD, missing 3rd by only 1 second!! Dave Roberts was delayed by a fallen tree on ss1 but made good progress over ss2 but on the 3rd stage the motor blew big time so rally finished there and then! Other members who had runs were, Dennis Stanford/Anna Ritson, Clinton croker/Clyde green (3rd outright), Matt Amos/Zoey Gillis, Darren Gillis, Spac & Brad Fitzgerald (5th Outright).

SDMA hillclimb: Sunday 4th March John ewing went to Farirburn for the hillclimb there in his RX 7. He had 5-7 runs during the day and got 2nd in his class and not far off a personal best as well!

Upcoming Events:

The Bay stages, A few positions (ie set-up crews, and what not) are needed to be organised for the event. Theres plenty of jobs still be filled if anyone is willing to help please speak to Pete Ewing and he'll give you a job! We need as much club support as we can to make the event both work and become a success.

South Nowra 18th March, Due to the recent rains the event has been moved to the 'old' ground off Warra Warra road, so we don't destroy the new ground even before wqe have it fully set-up for our use! This gives the club more time to organise the grounds and prepare it for the next khanacross/motorkhana. Keep an ear out as we will be requiring help to get the grounds slashed and tracks developed before the next event that is scheduled there.

General Business:

- The Club magazine is to be now put on the SKDAC website, an email will be sent out to all members notifying them that it has been loaded up to the site, and for those without internet access the news letter will still be sent out vial regular snail mail.
- Al Voysey had a meeting with a member from the PCYC as he is trying to perhaps get them to bring some kids out to south nowra and see how the motorkahans and stuff work, perhaps making It another activity for them.
- Lynn & Casey are happy to take on the roles of social nights and club functions, but they are after ideas or suggestions for things to do, including observation runs, presentation nights etc, soo if you have any ideas sing out, otherwise nothing will happen!!
- The state motorsport calendar is available and will be put up on the website soon, all forms of motorsport are covered on it and is updated regularly once its up we can 'easily' follow our motorsport of choice!
- For the SKDAC website to get some more info on it you the club members are invited to send in a profile about yourselves and your car(s), or just yourself, so we know a little bit more about one another and what we enjoy about our motorsport.
- Tomerong Rally: Pete has proposed a very small rally for Tomerong, tentatively dated for October using a 7km stage run in both directions a couple of times. There seems to be plenty of positive interest in the event which would possibly be only 20-30km competitive but for only \$150 (ish) entry and small field proposed should be a fun day to have though.

Meeting closed 8.40pm.
