Coming Events:

- Blue range Rally In Canberra on March 29th
- Oberon Rally at Black Springs April 12th
- Oran Park Super sprint April 5th
- Tomerong rally is to be moved back a week to the 12th of July as it conflicts with a NSW state round.

General Business:

- SKDAC is growing! With new members from northern NSW and from as far west as WA! Welcome to all new members!
- Tony has suggested that a new cut off date for the club magazine is the 22nd of each month so make sure all your articles and what not are in before then.
- Pete will speak to Dave regarding working out who will be the new liaison for the club in regards to running south Nowra events and what not.
- AASA insurance has been looked into, and is in the pipe line at this stage but nothing more to say at this stage but stay tuned. With the state of CAMS officiating setups and structure, life has become ridiculously hard to get new officials to help run our events, so the possibility of using AASA insurance for our khana crosses and motor khanas is a distinct possibility for the future... stay tuned for more as info comes to hand.
- Lizzy and Pete went to a NSW rally forum regarding rallying in AUST, and covered the big issues that are affecting our sport. Looks like officiating will be in for a big change, also vehicle eligibility and licensing will come under the microscope.
- Bay stages: Another meeting has been held and progress has been made, another meeting is set for the 26th of March. A route has been initially laid out and all seems to be moving along at this stage...
- Tomerong rally...the event will be upon us soon, if you are planning on entering get ready for a run!

Meeting closed: 8.35pm
